Secretary's Report

Call to Order.

Treasurer's Report. We have something over \$2k in the bank. Dave Hall suggested an agenda item be added in October regarding this.

Secretary's Report, with the secretary's reluctant letter of resignation.

Birthdays and Anniversaries.

We discussed the following events:

Old Business:

Northeast Community Fair. Mary Sanders.

Phantom Corvettes/Rudolph Chevrolet All-American Car Show. John Telesz.

New Business:

October 6th. Brats on the Mountain. The Hoeller Family.

October 12th: ProTech Car & Truck Show. Vinton, TX.

October 19th: High Desert Fly-In. Las Cruces Airport. Bob Dockendorf.

October 20th: White Sands National Monument Club Picnic. Lester Townsend/Dave

Hall.

October 27th: Flight to Fight. Bob Dockendorf.

November Tour: Railroad Model and Historical Association of El Paso. Rolf Speziale.

November 9th: New Mexico State Veterans' Home Car Show. Truth or

Consequences, NM.

Possible Second November Tour: Ford vs. Ferrari. Dave Walters.

December 7th: Club Christmas Party. Cattleman's Restaurant. Fabens, TX.

Program:

The program was presented by two representatives of MSD, who gave an interesting history of the company and its relationship to its new owner, Holley. Also, the theory of operation of MSD ignition boxes was explained in excellent detail. Solid state distributors and EFI conversions for carbureted cars were also touched on. It was a most enlightening presentation.

Dave Hall awarded several door prizes. And Shary Telesz won (again!) \$25 in the 50/50 raffle.

There being no further business the meeting was adjourned.

Respectfully submitted,

Lloyd Bohn

Because the agenda for the October has been published on the club website [www.swclassic.org](http://www.swclassic.org) I won't include it in this report.
